So sorry to see this, we didn't know that heaven had gained a wonderful woman. I was just thinking the other day of how proud she would be of Blake.

“ Mary Helen had a heart of gold and if you were fortunate to call her friend, she loved you unconditionally. She was my mentor and friend who would do anything for me within her powers. She will be sadly missed but I know beyond a shadow of doubt that she is with God who she truly loved and worshipped.

“ I became friends with Mary Helen a number of years ago but over the years our lives went in different directions. I can say with absolute certainty she had a heart of pure gold. Thank you Mary Helen for all your kindness you had for me. I will never forget all you did for me.
