“ Michael sold me the first cargo trailers I ever bought, back about 15 years ago. We became instant personal friends because he was special. I remember how excited he always was to tell me about his kids, about April and then Ethan. He loved all of you so very much and I can attest to it. We joked and laughed a lot, that was one thing I loved about Michael. I'm a lot older than him, he would pick on me and call me old man, I'd then say what son, but we talked about life and people in our lives and of course, trailers! I will never ever forget him and our friendship that went way beyond business. I will be forever grateful that I knew Michael and called him my friend. RIP buddy 🙏
