“ Marie, Junior, Travis, and Shanda.....my heart is breaking for you as I learned of Michael's death tonight. Please know that you are in my thoughts and prayers. I remember Michael as a little blonde headed freckled faced boy at church who always had a big smile on his face. Marie, I am here as a mom who has walked in your shoes. Only a mom who has had to bury a child understands the raw pain you are feeling right now, but I promise you with God's grace and time you will heal. Keep the faith.

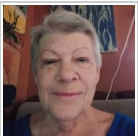

Love you,
