“ *To the family of Ms. Minnie, I send heartfelt condolences to you as you go forward without dear Ms. Minnie. I know your memories of her are sweet. My visits with her at Shady Acres were priceless to me. I think of those times, especially taking care of watering her bromelia, that she wanted only me to do and laughing with her that she was 'expecting babies' that grew on the mother plant. I thank God that He allowed me to be a small part of her life. God bless you all. Debbi Sutton*
