“ So sorry to hear of Nicky's passing he was a good man. He worked at Carson Lumber with my dad J.W. Phillips and they become very good buddies. Nicky always had a smile on his face and was always a pleasure listening to his jokes and stories. After my dad's death our paths didn't pass but I would often think of Nicky and those Carson days and the good friend he was to my dad.My thoughts will be with you Ann through the coming days. He will be missed.
