“ Mrs. Jennifer & family,
Was so sorry to hear of your moms passing. From you sharing memories of your mom, she was a great woman. Remember you will always have a guardian angel smiling down on you from Heaven. You have been an inspiration to us in class. Handling what you did with the amount of class you did. You showed us you love your mom while still taking care of us. I, personally will never forget the love & care you showed us. Love to all the family.
