“ *Meloni & Dale & Family,*

I just found out about Ms. Ollie. I am so said to hear this. She was a great woman. We had many memories together. Prayers for all in dealing with this sad occasion.

“ *My condolences to you all on the loss of Mrs Andrews... My mother Geneva Giddens Harper worked with Mrs Ollie during most of the 1980's. They became very close friends and I remember they would all go dancing and hang out. I remember her husband Jim as well. They were both funny and nice to me when I was a boy. I used to go to the hospital after school each day and I remember her well working in her lab there. She and my mom lost touch but she never forgot her. My thoughts are with you. If anyone has a photo of her it would be lovely to put online...*
