“ My Mother and I first meet Orie through Clay Gilliard with Sunbelt, performing a pest control treatment at the house. My Mother's property suffered extreme damage from Helene and needed repairs. Clay recommended Orie to help us with some of the repairs and Orie did a great job for us. He was a pleasant and nice man. Prayers for the family.

I met Orie at Elixir when he came through the offices for Sunbelt Pest Control. Our first conversation started when he asked about the pictures of my two cockapoos. I learned that he has a poodle named after his late wife.

It was a pleasure to have brief conversations with him. He was always professional and always had a smile.

My prayers are with his family.

“ Mr. Orie first came into our lives as the exterminator who took care of my mom when she was living on her own. That’s how I met him—and it’s the reason I later chose to use the company he worked for simply because of Mr. Orie.

He was always so kind and respectful to my mom, and he was just as kind to us. Mr. Orie had a gentle way about him that made you feel cared for, not just “taken care of.” He was truly a good man, and the world needs more people like him.

Our hearts are with his family, his loved ones and his work family at Sunbelt, who truly loved him. We are also praying for the people he called on through his work - he was a blessing to us.

I also find comfort in knowing Mr. Orie is no longer in pain or suffering. I truly believe he is at peace now—reunited once again with his wife and the loved ones who went before him.

And one small memory that still makes me smile: Mr. Orie loved Black Dog BBQ Sauce, one of our customers from Minnesota makes it. He loved it so much that we ordered him a whole case.

Mr. Orie will be dearly missed and always remembered with love.

“ So sorry for your loss. Mr. Orie was such a fine gentleman. I knew him because he was the one Clay Gilliard sent to my house to spray every 3 months. There will never be anyone who can replace the dedication he showed in his work. May God strengthen you as you go through these difficult days!
