“ I loved pam my cousin, like a sister. My heart is so heavy tonight, i guess because I always thought she would have walked back through that door. Now I know I will never see her again. I know you Kids are gonna miss her so much. She was in an amazing woman. I can see Tammy standing at the top of that beautiful stairway with both arms extended, Waiting to take hold of her and walk her through those pearly gates. She will not be alone, she has so many loved ones just waiting. I know it will be hard for you kids. But just remember, god, has a plan for everything He does. I just want to let you all know. I'll love you very much. And if you need me, i'm right here. Love you all, Lesha
