“ The McKinnons first met Patsy and the rest of the Corbitts when my Mama and Marie worked together at Federal Corset. Mama invited Marie's family to our house one afternoon to pick off peanuts. We all became instant friends. They started going to Franklin Church and the entire family got saved there, I believe. My Mom and Marie became lifelong friends and are both buried at Satilla Memorial Gardens. They performed and directed, along with Ann Leavens, some fantastic plays at Franklin Church. I spent many nights with Patsy. Good memories.

“ Praying for peace and comfort for your family! Though many years have past, I still have many fond memories of Mrs. Patsy. She was always so kind and sweet to me! I loved her beautiful smile! The last time I saw her was a year or so ago in Walmart. She remembered who I was and we had a great talk.....which was mainly about her "Babies" and Mr. Carl! She loved y'all so much! Y'all are in my thoughts and prayers! Love Always!

“ I cannot adequately express the love, memories and inspiration that Patsy has provided for me over the years. Though I no longer live near her, my visits home would sometimes include reconnections with her. She always made me feel as though little time had passed, though 30 plus years had transpired. She always had a smile...though, if you knew Patsy, it wasn't just a smile, it was a laugh! I always left her feeling...knowing, that she loved me. My heart aches for you Carl, Patrick, Paulette, Shae and Winona. I know her loss is profound for each of you. There are many who are praying for you and will continue. I pray you feel, and know, that God has you blanketed with His grace and with comfort that comes from the Holy Spirit. Also, I pray you will embrace the consolation that comes from knowing that Patsy was a follower of Christ which assures you and I will see her, and that smile, again.
