“ *No matter how tired Daddy was after working all day on the hot flight line, no matter how bad of a day, Daddy always came home with a Great Big Smile and a GREAT BIG HUG as soon as he walked in the door, the brightest highlight of this little girls day... Daddy, I will miss you... Daddy, I will love you for an eternity.*

My prayers for the family, especially James, Mary, and Brenda, Paul's siblings. We became acquainted with the Patterson family when they moved to Jacksonville from Knoxville. Our family was from the Chattanooga area, so Tennessee and church tied our families in a bond that is still strong. Mary and I were and still are best friends. Paul was in the Air Force when we met. I remember his warm smile and easy ways. Our friendship continued for a couple of years after our family moved back to Tennessee. Our Moms continued to be friends as long as they lived, I believe. My deepest sympathies to all Paul's family. Earth's loss, heaven's gain. R I P sir.
