“ *Stan, Jerome, and families....we were saddened to hear of Mrs. Quinette's passing. We always enjoyed seeing her. One thing about her, you never had to wonder how she felt about an issue, she did not hesitate to tell you! The older I get, the more I like folks like that. We will miss her. “ So sorry to hear about Quinette passing. I will be praying for all of the family.  
I remember when I was in Junior Hight School Quinette worked for my Mom & Dad at our Drug store (McRae's Pharmacy). I didn't realize at the time that she was just a few years older than me. She seemed "so much older and more mature". Quinette worked behind the "soda fountain" with a couple of other school girls. She was very friendly and outgoing. A beautiful person inside and out. She spoke of this many times. Momma had a good time working for Mr. McRae. Stan Adams

Ms. Quinette is quite the original! Her home going will leave a temporary vacancy that will surely be filled in Glory! I'm so glad the choir had the opportunity to fellowship with her several months ago in her home. She will certainly be missed! Stan, Jerome, and family...you are in our prayers.
