“ I have known the Ortiz siblings since we were in school. I reckon I knew Reinaldo the least. According to the posts I have read and according to Louise’s family, he was a good ol’ fellow.

Louise, Children, GChildren, Joy, Camellia, and Family - I am so sorry for the loss of this precious man. I didn’t try to speak to any of you at the cemetery. I knew you were tired and ready to get home. Please know that you are in my thoughts and prayers. Louise, I will never ever forget the “spread” your mother brought to my house when David received his Angel Wings!!! Sending Love, Hugs, and Prayers!

“ I will miss the little things that we did together. Like fixing your American flag in your yard, sitting on your front porch and talking about family, or making fun of the way our hair grows. God called another Angel home. Always in my heart.
