“ *Mandy, Brice & family,*

With our most sincere and deepest sympathies to you during this difficult time. There are no words to help ease your pain or your heartache.

At times of great loss, God gives us great peace, love and mercy. May your faith in him bring you peace and help comfort you in the days ahead. May his mercy shine down on you and give you strength. We have known your family for many years and watched our boys grow up to men during our shooting journey. Kevin was a very devoted father to you Brice and may you always keep that in your heart. Mandy, I can't imagine how heart broken you are but please know that our family is lifting you and Brice up in our thoughts and prayers.
