“ *He was truly an angel. Yeah he was needed in heaven but not a day goes by that I don't feel him by my side. I still see his smile and hear his voice and laugh. I remember the, "bubba" he would say. He had the biggest heart in the world and would give you everything he had. I love and miss you so much and would give anything to have just five more minutes with you. Yeah the last words we said to each other was I love you and just know I miss you so much!*
