“ Wayne was a very kind man. My husband, Jacob Wilcox, said that Wayne had a big impact in his high school and early adult years. He was one of the very first people we shared the news with when we were expecting our first son. He was always kind and welcoming to me every time I saw him. He will be greatly missed by my husband and I. We are both sending prayers to his family.

Prayers of comfort for your family. So very sorry for your families loss. I have such fond memories growing up Wayne when my brother and I would spend a couple weeks of our summer each year staying with family members in Georgia. My brother and Wayne were only 1 month apart in age and very close always being outside doing things like fishing.
