“ *I remember staying over weekends with you and your mom and dad when my parents traveled out of town, and you staying with us when you folks traveled. You lived playing in the dirt with tractors, you always had John Deere tractors. Funny that you never sold JD tractors later in life. So sorry for your passing my friend, see you on the other side.*

“ Ronnie loved his family, and friends. He was a true southern gentlemen! He seemed the type of person, that if you knew him, was to love him! He wanted to help. I know his kids will miss their Daddy so much, His Mom and Sisters also. His Bride of a few months was God sent in his life, he said, he's prayed for God to send him a good Christian wife, after he'd lost Angela. God did that, sent Wanda, whom was a perfect match. They were happy. We have no control, how long we'll be allowed to live on this earth, but I'm sure he is reaping his reward with Christ this Morning. Love to All the family., Donnie and Brenda Anderson

Sue,

I am so sorry to learn of Ronnie's passing. It has been years since I have seen him, but I remember him playing at Aunt Eunice's house, his Grandmother, when he was young. I'm praying for you and the family during this very difficult time. May God's grace give you comfort and peace that passes all understanding. We can rejoice in knowing we will be with our loved ones again, some sweet day in Heaven, where there are no tears or good-byes. You are in my thoughts and prayers.

With Deepest Sympathy.
