“ *Mrs Felicia and family*

We send our sincerest condolences in the passing of Mr Ronnie. I'm going to tell you the truth, at first we weren't really happy with Mr Ronnie when he first started pulling out of our terminal here in Bainbridge! The man got here before we did! But he wore us down with just his spirit to where if he wasn't here before us, we were disappointed. I can't imagine what the feeling of loss is for you all when our hearts are heavy here with just the 30-40 minutes we got to share with him when he picked up a load. Our whole crew is for praying comfort and peace as you all transition without him. As he always says "if it's God's will". I'm sure he's either on his tractor or his truck right now.

*Thanks for sharing him with us

“ *Felicia and Family,*

There are no words in times like these to say but to say my heart is heavy for your loss. I'm so happy that Ronnie crossed my path many years ago in my place of employment. He was always such a uplifting soul and that's how I will always remember him as. My prayers will be with you all in the days ahead. I know your loss is great but heavens gain is even greater. Love you Felicia.
