“ *My brother will always have a place in my heart! He may have been that 3rd child and thought that me and our twin Glynn Ray got all the attention, but love him i did with my whole soul! He’s my blood, i hope he knows just how much we loved him and how much he is missed just knowing his earthly body is no longer here with us, i pray i see him again in the heavens above walking the streets of gold in a new body!!*
