“ *She was like a mother to me for so many years. I have so many memories of her from nights that I spent the night. Shopping for homecoming dresses with Tammie and our mothers as well as going with the family to reunions. She was so much fun and always made me laugh.*

“ Polly was the sweetest and friendliest person ever and I enjoyed getting to know her while a member at First Congregational! She was so happy when she told me that Lorin would be in my 7th grade science class several years ago! Lorin was an exceptional student and we both talked about her when we saw each other at church functions. She loved her Lorin! I’m so sorry to hear of her passing, but I know she’s in the presence of our Lord and Savior! She will be missed. Praying for the family during this time. 🙏
