“ *I remember Sharon as a sweet, resilient lady who had a way with words and was quite witty. She seemed to me to be able to do anything. As I married her brother Dennis, I spent a lot of time with her.*

She came to visit us in Jolin while we were still in college. Dennis had a motorcycle and she wanted to ride with him (behind him) but had brought no slacks, so she took an old pair of her brother's pants and fashioned herself a pair of pants (that's a seamstress).

I shall miss the daily email exchange between Sharon and her brothers. She will be a precious memory left to each of us who loved her.

“ My deepest condolence to Karen and Chanel and Family. Aunt Sharon was an awesome person. My earliest memory of her was how she always took time with us kids and ALWAYS showed us love. I remember one Halloween, she threw a Halloween party for Karen and all us cousins (Chanel, I don't think you were born yet). Another memory, when I was in the 8th grade, Aunt Sharon, made me a beautiful three piece suit, as I was in a pageant at school. She was a magnificent seamstress. This is where my love to sew developed, and I have been sewing every since. I love you Aunt Sharon and thanks for always being a great Auntie. I know my Mother (Sister) thought the world of her. I had to smile yesterday as I had a vision of MotherDear welcoming her to heaven... I know she is in heaven, because she lived that life before us all. Much love Family...

“ *I worked with Sharon in the transcription department at South Georgia Medical Center. I will always remember her as being very smart and one of the sweetest people you could ever meet. I am so sorry for your loss.*
