“ *To Shelton's Family,
What a sweet & kind man Mr Shelton always was. I met him almost 15 years ago when he came into the dental office I worked at & he & his wife were always so kind. He taught me so much as a human being not to let life's set backs get you down. He definitely encouraged me to never let life get me down. Sending you all my condolences.*

“ Pa Shelton I will miss you so much. I can always here you up on that tractor holler Nadine you better be getting that tobacco you costing me money. But you were one of the best role models in my life. When Mandy was about four years old she asked me why I called you Mr. Shrouder and I told her she said why don't you call him Papa. Well cause he is not my real papa Mandy. So I went and told you want Mandy had said and I ask you if I could call you Pa Shelton and not disrespect you. You put your arm around me and told me I could call you Pa Shelton or if you want you can call me Papa. You were a man I always looked up to Pa Shelton and I will always carry so many memoirs of the days in the field or fishing back there in the ponds and Darrell helping re roof your house. They will live on in my heart until the day I can be there to rejoice with you and Beth and Jesus. I love you Pa Shelton and thank you for all the fatherly talks we would have. Marilyn, Alisha and Jerrell he was a very fine man and I pray for comfort and peace for you all in the days to come.
