“ *I am so sorry to hear of your loss I lived down the street from you on Albany. Kathy and my late son, Butch, were friends. Wonderful family!*

“ *I am so sorry to see this! I have so many wonderful memories of the Lee family and our time on Sandalwood Circle. Sherrie always played with me; despite our age difference, she always included me and made me feel special. She'd go to school then come home and play "school" with me before I officially started. My folks just adored your family. Much love to you all.*

I am so sorry to hear this. Haven't seen her in years, but she will always hold a special place in my heart. We were together when I met the love of my life. Still talk and laugh about that evening 46 years later. Thanks for the memories Sherrie. Give Ken a big hug for me. My thoughts and prayers are with the family.
