“ *I met Ms. Sherry in August 2012 when i started working at LHS cafeteria, she was the sweetest, most loving person i had met. We had just moved here to LaBelle and she made it feel like home. She was the best baker and made the best cole slaw i had ever ate!! She prayed with me and for me many times. It didnt matter what she was doing i could call her and shr would pray with me Where ever she was at. She will live forever in my heart. Until we meet again Ms. Sherry, rest easy . 🥹 The Wooddell Family*

“ Sherry was such a nice lady. Always pleasant and helping others. Vance and I first met her when we attended Harvest Ministries Church of God in Lehigh Acres, FL. She will be missed by so many. She is with the Lord now, not suffering, and in a beautiful place! We want to extend our deepest sympathies to the family. Love and prayers, Vance and Barb Wonderly.

“*Sherry was a phenomenal woman. She loved everyone she met and always had a heart of gold. Her favorite thing to say was "You can't out give God." One of my favorite memories is when she and I took a summer road trip. We didn't have a set schedule but we went to several presidential campaign rallies and sold campaign buttons. We met so many people and had so much fun. It was an adventure from the moment we left till the moment we got back and we experienced some things that we had never experienced before. I'm so glad I got to do that with her and had planned to take another trip together this summer. But Sherry took the ultimate trip and went home to be with her Savior. As much as I miss her, I am rejoicing for where she is and knowing that she is no more in pain and has no more suffering. I loved her and she will always have a huge piece of my heart.*

I met sherry 39 years ago in Labelle Florida she took me under her wing learning bus ministry. Sherry was a gem she loved everybody and helped all she c o Ulf. Sherry had a servants heart s h e was a giver. As a preacher 1 year ago s h e called me asking for prayer. From that date I had the privilege of calling a n d praying with her. The last time I prayed with her I knew time was running out for God to call her home. Going forward I pray Gor Stacia and Olin as they go forward
