“ So sorry to just now learn of Shirley's passage from this Earth. I did not realize that she had been sick for an extended period of time. I can only imagine that when she left this world she was not only met by Jesus but I can see those precious older ladies that were in her Sunday School class who have gone on before being there to meet her. My mother, Edna Hand, always thought so much of Shirley. When I had the chance I went with her to her Sunday School class and Shirley could have been the pastor, she knew so much of the Bible, her voice was so clear and she could certainly hold anyone's attention.

“ Shirley & I went to college together to earn our Early Childhood Education degrees. We had SO much in common and became fast friends. Once Shirley was your friend, she was your friend for life. She was loyal, supportive, and always there to listen and lend a hand. . She always saw so much good in people, that she made you believe in yourself. I've never met a more positive and genuinely good person. Her faith continually amazed me.

Shirley, I can't believe that you are no longer here on this earth and although I will miss you terribly, I am sure that you still have my back and always will. I am comforted to know without a doubt that you are in the arms of our Heavenly Father and that we WILL meet again. I love you, dear friend. Rest easy. -Debbie West

“ *Shirley was such a great member of the Class of 1966. Shirley had a "heart of gold". My favorite memories of Shirley was in the late 80's when Greg was playing football and my daughter, Sallie, was a cheerleader. Our seats were close together and we enjoyed some great times together at Trojan games. Shirley had such a drive about her career. After being a parapro for years she completed her degree and became a full-fledged teacher. She was a teacher all along but she wanted to be certified. God's Speed to Shirley. May God's Grace surround all of Shirley's family and bring you Peace. Love you Shirley!*
