“ Sure am gonna miss my hunting 🦌 buddy. He and I have hunted together for 15 years. He would always text me if he heard a shot, he would say did he fall where you shot him, I would reply yep! He'd say where did you shout him? He didn't even have to ask that, he knew I would take that neck shot but he would check anyway, he would always say I saw that deer last week or I have that deer in a picture. He and I have had bunches of memories riding those woods, even getting hung up on a ledge because of his driving. Lol I will miss that laughter and hearing all your stories. He always had a story to tell you and you normally sat and laughed your head off at him. See you on the other side my friend. 💕 Trisha Dorminey.
