“ Our families were neighbors many years ago when we were all still children. Teresa was the baby in her family as I was the baby in mine. Her sisters and me had some good times playing house and making mud pies. God bless her family and help them through the loss of their loved one.

My precious baby sister, what can I say that hasn't already been said about you. You could light up a room with your smile and personality. I will miss our talks and our trips we use to make. A part of me has gone with you and I will forever carry you in my heart. Every time I see a butterfly or a hummingbird, I will ALWAYS think of you. Raymond, Shawn, and Shanna. I praying for God to comfort you 3 especially during this very hard time. We love you all.
