“ *Mr. Ralph and Family,*

You all have always treated me as family. Even after moving away there has never been a time that I ever doubted for a minute I could stop and see any of you. Hazlehurst became a place we no longer called home when all my family left. I will never forget one night though in Hoboken when I was working 3-11 in Nahunta one night my car started acting crazy and someone stopped to help and it was Darren I think he and I laughed for 30 minutes before my husband got there and figured out what was wrong with the car but he didn't leave me. It kind of shocked me. I will never forget it. I love you all. I know he didn't like people to see his kind side but it was a lot bigger than he made it out to be. Keeping you all in our Prayers 🙏 Scott and Lacey (Bailey) Wilcox
