“ *Granny showed her love for her family through food. When I was young she would let me "help" her make biscuits. She made little teenie eenie ones just for me. It sure made me feel special. Of course we were all special to her.*

*Such a sweet woman, always welcoming me into her home. I am so sorry for the loss of such a good woman. May the good lord send his angels to comfort the family during this sad time for them. It's always hard to lose someone you love so much, but all of us have to pass through when our time is up. Try to find joy in knowing that we will all meet again someday.*
