“ She along with three of us from Rocky Pond, we're the Yada Yada Sisters, based on a book series we 4 liked Wanda Grantham, Mozelle Pridgen, and myself, Brenda Anderson we'd call each other "Sister" we had several fun trips to the beach. Now I'm the only one left. I miss my friends, I've been busy for 6 yrs caring for Donnie. He's now declining rather fast and bedridden with Hospice. My heart and prayers go out to all of her family and friends. Love you.
