“ I can't stop thinking of you Van My prayer is justice will be done and your soul can rest in peace. Always a smile on his face and a kind word. Always a helping hand when I needed one. I can hardly stand the fact you are not my closest neighbor ever again. I loved you Van never to see your truck again at your house or that huge wave when I turned in to go to my house. Lord I'm going to miss you but not as much as your parents or Mrs. Grace or your uncle Rex and Pam Clay and your family. As I was at Grace's recently I heard some one say thats Vans place at the table. Your place will always be remembered as Van's place.

“ *My thoughts and prayers are with Mr Warren and Ms Renee. Vann was one of a kind. I have lots of memories of Vann growing up but one that makes me laugh was in elementary school he turned off the classroom lights while we were working just so he could walk around the classroom and show off his new light up shoes. That was Vann always making everybody laugh. He will be missed and never forgotten.*
