“ Our condolence to Billy's family. He is going to be missed by so many. He was truly a man of God. He helped change a lot of people's lives, including mine. He was 100% behind his church. If you talked to him for a little while you where going to talk about the church. I loved talking to him. He liked to talk as good as I do. I was so glad I called him on Tuesday before he passed away on Wednesday morning. The last thing he said to me was LOVE YOU JOE JOE and I said love you to.

“ We grew up together in the Stokesville community. Rode the bus to school and home with Peggy and Billy. I grew up loving this family and Billy was a dear friend. I fell in love with Cheryl, Becky, and Kayla. I worked with Cheryl for many years. My heart is broken for his family, but is also rejoicing because I know exactly where my friend is this evening. Love to all...❤️
