“ I met this wonderful man 20 years ago when Becky and I became best buds in high school. He just made things better in this world when you were around him. He and his family played a part in who I am today. I haven't seen him in many years but I bet he is rejoicing in heaven now. God bless his family during this time.

“ *Mr.Edgar wasn't my real Papa. He was my best friends, Savannah boykins, papa. He treated me like his own grandchild and he always tried to get me on the back of a horse. I have only known him for 7 years but them seven years were filled with love from him and his from wife. I love you papa Edgar. His son Bill and all his family treated me like I was theirs. They loved me and made me feel welcome. I love that family with my whole heart. I was blessed with the chance to hear him tell me stories and hear him tell me he loved me on last time, only a few short days before he went to be with the lord. I am blessed by his action and by his love for the lord. This verse has helped me with this great loss John 14:27 - 29 Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid. You heard me say to you, 'I am going away, and I will come to you.' If you loved me, you would have rejoiced, because I am going to the Father, for the Father is greater than I. And now I have told you before it takes place, so that when it does take place you may believe.*
